

UNIVERSITY OF KWAZULU-NATAL
STUDENT FEEDBACK QUESTIONNAIRE

EVALUATION OF PROFESSIONAL PRACTICE MODULE

In this questionnaire you will be required to provide your opinion on various aspects of the professional practice module for the purposes of evaluation. Student Feedback is one of the methods used for improving the quality of teaching at the University. This survey will provide your lecturer/supervisor with valuable feedback. You do not need to sign your name and all information is confidential. Please complete as accurately and honestly as possible.

Thank you for your co-operation.

Module: *insert*

Module Code: *insert*

In each question you are presented with a statement to which you should indicate the **EXTENT** of your agreement/disagreement. Your possible answers are:

A = Strongly Agree B = Agree C = Neutral Response D = Disagree E = Strongly Disagree

If any items are not applicable please leave them blank.

Module

1. A useful module outline was provided.
2. I thought that the workload for this module was manageable.
3. I thought that the practice session(s) was/were well structured.
4. I thought that there was a good balance between the theory and its application.
5. I thought that the module was challenging and stimulating.
6. I thought I have been given sufficient guidance in order to cope with this module.
7. I thought that the learning materials available for this module were useful.
8. It was clear to me how the different topics and sections of the module fitted together.
9. The quality of student support facilities at the practice site was sufficient.
10. I felt that the module prepared me sufficiently well to complete my professional practical tasks.

Assessment

Type of assessment encountered during the practice session(s):

PORTFOLIO ☐ OSCE¹ ☐ OSPE² ☐ VIVA³ ☐ OTHER _____(specify)

11. I thought that the way in which we were going to be assessed was made clear from the start.
12. I thought that the instructions on assessment tasks were clear and specific.
13. I thought that the time allocated for assessment tasks was fair.

¹ Objective Structured Clinical Examination

² Objective Structured Practical Examination

³ Oral Exam /Verbal defence of a written thesis

- 14. There was a good link between what was learnt in the module and what was assessed.
- 15. I was provided with structured feedback to assessment tasks during the module.
- 16. I found the feedback on assessment useful.

Comments

17. What aspects of the module were facilitated well?

18. What changes would you suggest be made to improve this module?

19. Any other comments?
